What We Do

On all orders of \$10.00 or more from prices in this catalog we will prepay the freight (Evergreens excepted).

ORDER EARLY

5 Per Cent Discount Before March 15th

War conditions have caused a shortage of many kinds of nursery stock. We have had to omit some varieties now because we are sold out. Some other items will soon be sold out and we don't know any place to secure any more. Shrubs and shade trees are ample for this season but will be short the next few years.
